

CHLOE OGILVIE (O-gill-veee)

Your Graduate and Mature Representative 2018/19 could be me!

Who do I think I am?

- Your current 1st year rep
- Someone you can count on, especially if you get lost in the O2
- And infamously 'I am on it'

Why me?

- I'm keen to make positive changes based on accumulative feedback
- I understand the devastating thought of being a student for 8+ years and the effect it has on the bank account.
 - o Whilst all my friends are buying houses, getting married or having children.
- I am friendly, approachable and trustworthy.

What I'd like to do next year

- Re-create a fantastic chem week and Christmas meal
- Organise regular **pub trips** and **movie nights**
 - o Encouraging grads/mature students from all years to socialise
 - o Provide opportunities to socialise with a more casual vibe
 - o Encourage graduates to socialise with the undergraduate intake
- Be a resource point for financial, accommodation and general issues that specifically concern graduates

Being old getting too much?
Just brush it off
