

Elizabeth Keeper

Ball Secretary Manifesto

Hi, I'm Elizabeth and I'm hoping to be one your ball secs next year!

Why me?

- Having now been to **5 LUSUMA balls** (I know, slightly excessive) I have a good idea of what makes a fantastic ball and have a few ideas of my own on how to make the next couple even better.
- I will be doing a BSc next year so will have plenty of time to dedicate to the winter ball and I'm willing to put in the hard work and effort needed to pull off a brilliant evening.
- I am keen to get involved in welcoming the new freshers for **introweek**, I remember how much LUSUMA helped me to feel welcome and excited for my first year at university. After nearly 3 years in Leicester I can finally say that I know my way around and will be able to help any lost freshers on the socials.
- I am very organised and love nothing more than a to do list so I have no doubt that I will be able to efficiently organise a big event like this.
- Choosing a theme is a good chance to be creative and have some fun, especially with the summer ball. Without wanting to get ahead of myself, I have a few ideas up my sleeve...

What will I do?

- I would try to make it as **affordable** as possible, I understand that we are all on a budget.
- I plan to bring back the **charity** aspect of the ball by having a raffle.
- I will make it my mission to ensure there is a **photobooth** so that the possibility to take glammed up silly photos is available to all.
- Keep the **snapchat filter** as it was a nice touch, I enjoyed using it for many a photo at the spring ball.
- I'd also love to have some extra **entertainment** e.g. magician/casino tables at the winter ball to give people something to do in between courses and encourage people on separate tables to socialise with each other.
