

JAMIE CARRUTHERS

Vice President of Academics, Welfare and Sponsorship (VPAWS)

Hi, I'm Jamie and I'd like to be your LUSUMA VPAWS for the next year!

Over my last year as LUSUMA as Treasurer I have been involved in all aspects of decision making in the society. I feel that this puts me in good stead to step up to the VPAWS role. I have also been heavily involved in securing LUSUMA sponsorship from a variety of sources, including the medschool. VPAWS oversees sponsorship so this experience shall prove very advantageous.

I am naturally a hard worker; I believe that I have succeeded in being Treasurer for the last year (one of the busiest jobs on the committee) so transitioning into the role of VPAWS shouldn't prove too difficult for me.

I have a proven track record of success on the LUSUMA committee, over the last year I have increased LUSUMA's bank balance by over £5000. Over the next year, I intend to ensure that LUSUMA funds are spent wisely so that our members get the most out of their money.

The past year on LUSUMA has been really fun and rewarding, and I would love to be reelected onto the committee as VPAWS!

Thanks for your support.
