
ELLIE GORE

VICE PRESIDENT FOR SPORTS, SOCIALS AND SUB-SOCIETIES (VPSS)

Hi, I'm Ellie and I'm running for VPSS for LUSUMA 2017/18.

The role of the VPSS is to take on the more social side of LUSUMA; the things people are interested in outside of medicine that enrich our lives and make us who we are. As a people person I would love to get more involved in this and improve communication to make sure LUSUMA becomes a society that caters to all of our members' interests.

Over the last year I've been organising the Medics' balls and have taken great pride in the way they've been received. I've acquired many transferrable skills and have learnt more about myself than I could imagine! Such skills and qualities include:

- I'm impeccably organised (to an almost OCD level) when it comes to arranging the details of the task – a colour co-ordinated spreadsheet solves a myriad of problems!
- I take on each challenge with a creative attitude. I want to achieve more than just ticking a box and go above and beyond to get the best out of everything.
- I communicate well on a business and personal level
- I am able delegate responsibilities well to remain focussed on the overall goals and priorities of the role
- I care about LUSUMA. I take great pride in what we achieve as a society and have loved being involved in decision making and representing LUSUMA and the medical school.

I also am the current Medicine representative for the Union Student Group Executive Team so have experience working with the Students' Union and understanding their decision process. This quality will allow foresight when it comes to LUSUMA's interactions with the Students' Union.

My aims for this role are:

- Improve communication and the relationship between LUSUMA and our sports and sub-societies so that everyone's wants and needs are heard and acted upon so we can continue to function as a well-oiled machine.
- Oversee the organisation of the socials and balls throughout the year to make sure they are accessible to all year groups and nights to be remembered.
- Improve the organisation of the ordering and distribution of LUSUMA clothing by increasing the manpower dedicated to it and advertising
