

# **PUNEET KHAKHAR**

## **LUSUMA SPORTS SECRETARY**

I have always been a keen sports player, representing my school in both badminton and cricket for 5 years. Since I've joined university, I have continued with badminton and picked up squash – I hope to encourage others to try new sports as it's a great way to get away from the stress of medicine and to meet and interact with people from all years.

Having held leadership roles such as Deputy Head Boy, I am motivated, organized and reliable so can be trusted with ensuring pitches are booked, creating a great social atmosphere between teams and setting up varsity against Nottingham.

My communication and networking skills will be highly useful in liaising with the rest of the LUSUMA committee as well as with all the sports captains to ensure the continued improvement of sports for medics. Following on from feedback from previous sports secs, I will speak with the SU to try and reduce the cost of pitch and court bookings.

My passion for sports will be shown in my dedication and commitment as sports secretary.

**Promote awareness of lesser known sports e.g. tennis, squash, snow sports**

---

**Make sports inclusive – beginner sessions in freshers + after NAMS**

---

**Advertise fixtures and results**

---

**Inter sport socials e.g. Football v Rugby**

---

**Keep price of the sports pass low**

**THANKS FOR READING MY MANIFESTO – CONTACT ME FOR ANY QUESTIONS**
