

RISHI AND UMANGS SOCIAL SECRETARY MANIFESTO

please vote for us 1st and 2nd if you'd like to see us as your social secretary's next year THANK YOU

Hi I'm Rishi Sekhri and I'm running as a duo with Umang (aka the only real ones left). After both of us getting lit, going out every night of introweek and reaching a 12 night streak during freshers we believe we have the strength and courage to take this role on. This along with our MAD events such as MEDBOURNE SHUT DOWN, SHOTS AT GLEBE and PK SOCIETY BAR CRAWL show that we have the organisation skills needed.

WHAT WE WILL BRING:

We will host AMAZING new socials, ideas include a 'dress up as another medic bar crawl' and 'medic vs psychology shutdown (CFM SHUTDOWN)'.

Umangs lush topless body (he never ends a night out with his shirt on).

Incorporate non drinkers into the socials better.

Persuasion- nobody has persuaded as many people to go out as us, we will use this skill when promoting LUSUMA socials, making sure it's never a dead motive.

Appreciation of staple and previous socials- we like to keep traditions especially pub golf, pj pub crawl and of course cheap tickets to the O2.

Also a fat cats social for Puneet Khakhar

WHY YOU SHOULD VOTE FOR US BOTH:

We have an undeniable complementary bond which means we will work together beautifully to hand craft the best socials you will have ever been to.

We will be living together next year allowing us to coordinate and discuss socials easily.

We also both have a track record of cohosting amazing events together (whether they materialise or not is a different matter), on this topic we would like to advertise OUR PRES FOR LETSDISKO NEXT WEEK AT 10PM GLEBE BLOCK C SHUTDOWN BE THERE.
