

Hi I'm Rosh and I want to be your Sports Secretary

I have tried a range of sports including cricket, squash, tennis, badminton, hockey and basketball for the medics over the last two years. Also, for the first time this year I'm also going to try ski which will mostly just be rolling down a mountain.

Varsity will be back in Leicester and I will do my best to make sure we smash Nottingham!

I have really benefited from the medics' sports pass and will work to encourage as many people as possible to make the most out of it as well.

Everyone loves Sports Night in Intro-week and next year I plan to organise a Sports Night Mark 2 later in the year.

Plenty of people enjoy playing sports for fun but won't feel confident to join a society, I want to organise a day where people can come play various sports for fun.

I will be good for the job as I'm organised and determined with relevant experience. Some of the things I have done include:

- Social sec for the Medics' cricket team involved organising social events on a bimonthly basis
- Deputy head boy with focus on organising the purchase of leavers hoodies for my year
- Vice-captain for my local cricket team
- Vice-captain of a medics' sports team meaning I've organised transport to NAMS, ran training sessions and organised friendly matches with other med schools.

I really want to be sports sec because I have a genuine love for sports and think LUSUMA do an amazing job so I would love to be a part of the good work they do.
