

SUSMIT DAS (SPORTS SECRETARY)

MY LIFE IN SPORT

School

I played almost every sport under the sun back in school, from being in the first teams for cricket and hockey to trying out water polo and handball, I thoroughly enjoyed it all!

University

Here at Leicester I am a part of the cricket and hockey medic teams (sometimes dabbling in football too) and play for the university mixed hockey team as well

Being the current social secretary for medics cricket means I can hopefully bring the skills I have acquired to sports night and other socials throughout the year

- ✚ Sport combines people of all ages, races and backgrounds in a way very few social interactions can
- ✚ With 12 medic sports on offer here, I feel it really is the best opportunity one can have to meet new people and make new friends
- ✚ I can safely say I have been made to feel at home and truly feel a part of this university community
- ✚ **I want others to experience this too!**

AIMS

- ✚ To get as many medics here at Leicester to try out a sport
- ✚ For sport at Leicester to improve from constant feedback
- ✚ Be an open ear to any concerns and criticism
- ✚ Keep Varsity, Sports night and Awards night incredible!
