

Tim Ricketts for...

Vice President of Sports and Societies

Why me?

- Three Years on LUSUMA: At this point, I'm pretty much part of the furniture. I have strong insight into how the society runs and how to make LUSUMA run efficiently.
- Very Organised: I take pride in being as organised as possible- some would say to an obsessive degree!
- A Passion for LUSUMA: During my time at Medical school, LUSUMA has probably been the best thing I have been part of. I take huge pride in what the society achieves and I will work to make it the best it can be.

What will I do?

- Work closely with LUSUMA's sub societies and sports teams to make sure that all concerns are resolved and get the maximum benefit from them for members.
- Ensure that the committee is working to their full potential.
- Carry on Muneebah Hafejee's incredible work as LUSUMA's enforcer.
