

Why me?

- Two Years on LUSUMA: I have insight into how the committee runs, which will help me perform the role.
- Very Organised: I take pride in being as organised as possible- some would say to an obsessive degree!
- A Passion for LUSUMA: I believe that LUSUMA is a fantastic organisation, and I feel so lucky to have been part of it. This passion will drive me to do the best job I can.

What will I do?

- Carry on Ollie Blake's exemplary work as Secretary.
- Support the rest of the committee to the best of my ability.
- Endeavor to make the "Leicester Medic" welcome booklet even better.
